Ms. Francine Torres
USDA

February 23,2005

Dear Ms. Torres:

I am writing to express my support for the recommendations made by the Livestock Committee regarding

We should raise animals in the most humane way possible - it's the right thing to do and provides the b

Sincerely,

Kathy Herman

ng pasturing and outdoor access.

est food. Organic methods used for growing our food whether animal or vegetable provide the safest p

products and the highest quality.
